

Like my father and me before them, my son and grandson can enjoy the clean waters of the Delaware River.

After fifty more years have flowed by, will my grandson, Greg, be teaching his own grandchild to swim in our clean and healthy waters?

The Conservancy protects clean waters now and for our children and grandchildren. Please send as generous a donation as you can afford this summer season. Every cent will work to protect forests, farms, and all our waters.

With thanks,
Scott Van Gorder
